### Meet Life - Year 4

I'm quite certain most of you are familiar with the Missouri State Council's "Meet Life" program, but for our new members here is a quick overview. In 2011, the State began the Meet Life program with the goal of reducing abortions in Missouri by 50% by 2016. This could be accomplished by placing Ultrasound Machines in Pregnancy Resource Centers around the state (in conjunction with a program from Supreme which provides 1/2 the cost of a machine) but also through advertising to guide pregnant mothers into the centers (instead of to abortion facilities), and through our partnership with the Vitae Foundation and their long history of working with the Pro-Life cause. Of course through the Meet Life program, the Crisis Pregnancy Center in Maryville received an Ultrasound Machine which will undoubtedly save many babies right here in this area! The one downfall is that the goal is to collect \$2 million, and as of right now only about \$1.3 million has been raised. Below are some statistics on how this program is working, but just think what more could be done if the full \$2 million was collected.

- There is now only 1 abortion clinic operating in the state (in St. Louis) because the others were not getting enough clients to stay in business.
- 33 Ultrasound Machines have been placed throughout the state and 3 more are on order
- There is DOCUMENTATION from 2013 which shows 261 abortion minded women were drawn to a Pregnancy Resource Center specifically by Meet Life advertising and chose life for their baby. In the first 9 months of 2014, that number has risen to 537. (*Total babies saved at Knights' supported PRCS: 2013-1,584; 2014-2,732*)

When you are paying your 2015 council dues, please consider adding an additional \$10 to go towards Meet Life to help save even more babies!

You can pay your 2015 council dues at any time. Unless you are an "Honorary" or "Honorary Life" member\*, please send a check for \$30 (made out to "K of C Council 1339") to our Financial Secretary:

Harry Schieber  
 145 South Grand Ave.  
 Maryville, MO 64468

\*Honorary members are those members who have reached their 65<sup>th</sup> birthday and have been a member for at least 25 consecutive years. Honorary Life members are those who have reached their 70<sup>th</sup> birthday and have been a member for at least 25 years. If you fall into either of these categories, please wait for your dues statement (if any) before sending in any money.

### CHARITY

- Drive for Persons with Developmental Disabilities - Clement Wiederholt and Bob Lager again co-chaired our drive this year where we raised a little over \$1,400. (Pictures on Page 3.) While that is good, the amount of donations collected at the Northwest Homecoming Parade was way down, primarily due to the lack of volunteers to distribute Tootsie Rolls along the parade route. (We only had 3 people to cover the entire parade route.) Please be willing to help with this program next year.
- We again provided winter coats to Maryville Community Services. Thanks to a partnership with the Maryville JC Penney store, as well as donations by Rick Smail and Joe Barmann, we are providing warmth for many underprivileged children this winter.
- \$200 Christmas present (SCRIP cards) for our adopted seminarian Bryan Amthor
- \$200 to help support a Northwest student to attend a "FOCUS" (Catholic Leadership) conference.
- \$100 to Conception Abbey for the Rector's Appeal
- We once again helped to set up and tear down for the annual Parish Dinner

### LENTEN FISH FRIES

If there is one thing we seem to do right, which people enjoy, is our Fish Fries! It is getting to the place where people are asking us when we will be holding them! The only downfall seems to be in finding members to help work. This year we will be doing a total of four fish fries. Two will benefit our Council, and two will be run on a "Free Will" donation basis to benefit causes we support.

- #1 - February 20 (Council)
- #2 - March 6 (Ice Machine for Parish Center)
- #3 - March 20 (Council)
- #4 - March 27 (Camp Quality)

The parish needed a new ice machine to help with large events which are held in the Parish Center. We agreed to have a fish fry with all profits going towards helping to purchase this machine.

We will need everyone's help in making these fundraisers a success. Please be willing to help out when contacted. We couldn't provide the charity listed in the left column, without raising money through these fundraisers.

## MEMBERSHIP

I understand that many people feel that recruiting new members is not a very high priority for them. However, without recruiting new members *ALL* organizations eventually fail. Did you realize that the average age of a member of our council is 55 years old? Our membership breaks down as follows:

18-19 - 0 members

20-29 - 10 members

30-39 - 27 members

40-49 - 28 members

50-59 - 46 members

60-69 - 25 members

70-79 - 17 members

80-89 - 20 members

90-over - 1 member

Look down the road - 5 years, 10 years, 20 years - will we have the members to continue to do all of the charitable programs we do now? If not, what will happen? Special Olympics athletes and programs will not have our support. Conception Abbey will not be able to rely on the financial support we currently provide to them. Will someone take the lead in supporting the Pro Life causes we currently do? Where will St. Gregory's turn when they need help to do a project?

The best Christmas gift you can give to someone is the gift of offering him membership in the Knights. You will be giving him the chance to give to others through his Knights membership, but also the chance to protect his family through our Insurance program.

Don't be a "Silent Knight" - ask a Catholic gentleman you know to join the Knights today!

## 2014 IN REVIEW

As 2014 comes to a close, I would like to recap what a successful year we had! First and foremost, we were active in recruiting new members to our council; through the Meet Life program we were able to secure an Ultrasound Machine for the new Pregnancy Resource Center in Maryville; we once again completed a successful Drive for Persons with Developmental Disabilities; we provided works of charity too numerous to list them all (helped pour new parking lot for St. Gregory's, shingled the Habitat for Humanity House, helped out at SOMO events, volunteered at Camp Quality, etc.); and we supported Conception Abbey and our "adopted" seminarian. However, we did lose two members - Leonard Malone and Dick Flanagan. May they Rest in Peace.

On behalf of Council 1339

*Merry Christmas!*

## KEG OF SILVER

October - \$42.00 Chris Stiens (not present)

November - \$46.50 - Andy Spire (not present)

December - \$51.25 - Randy Holtman (not present)

*Since Randy was not present, names were drawn until a member present was selected. Joe Barman donated his \$25.50 in winnings back to the council.*

## MEMBERSHIP / DEGREE INFORMATION

Please welcome Curt Jeter, Ed Defenbaugh and Adam Barber into our Order! These new Brother Knights joined at a First Degree on December 10. All First Degree members are **strongly encouraged** to go through the 2<sup>nd</sup> & 3<sup>rd</sup> Degrees which will be held at Conception Abbey on Sunday, February 15.

And all 3<sup>rd</sup> Degree members are encouraged to join the 4<sup>th</sup> Degree at an Exemplification at the Airport Hilton in Kansas City on April 18.

We were very happy several families with young children attended our annual Family Picnic hosted by Ron & Carla Spire
